Fort Zumwalt West Inline Hockey Club is a nonprofit corporation within the State of Missouri. The club operates for the sole purpose of providing the student athletes of Fort Zumwalt West High School and Fort Zumwalt West Middle School the opportunity to participate in the sport of inline hockey. The club enrolls the teams into the Missouri Inline Hockey Association League, MOIHA, each fall / winter. The school district or the individual schools do not sponsor this sport, therefore, the parents and participating volunteers unite to provide the opportunity to the students.

The competitive league known as MOIHA was formed in 1999, the same year that this club was organized. This league allows each team to compete against other public and private schools within the St. Louis area. The league is associated with a national league known as Amateur Athletic Union or AAU. Currently the MOIHA League nor the Fort Zumwalt West Inline Hockey Club, can afford to participate in the National Championship Program, however the aspirations to strengthen the club continue.

Our season covers a 16-24 week season and includes 24 games, practices and playoffs. The cost to operate the club is mostly covered by players membership dues, accessed annually. Members participate in two events per year to assist in lowering the cost of participation within the sport. The expense of participation creates a need to assist some students with financial needs. Therefore, the club attempts to generate revenue through charitable donations and other creative methods.

In January of 2007, the club created an internet web site for the purpose of communication and promotion. The site has grown from 1 page to 20 pages. The activity on the internet site is also growing, as we can monitor from the number of hits on our site. The management of the club is offering the opportunity to assist a student athlete in the participation of the club activities. We are offering an annual advertisement within our internet site, that would reach the students and parents of the Fort Zumwalt West Middle and the Fort Zumwalt West High School. Each unit will be 1-3/8" wide by 2" long and will be placed along the sideline of a page within our site. Each unit will be in exchange for a \$25.00 donation. You can purchase additional units and even run them adjacent to one another.
